PROPOSED MEETING AGENDA

ISAM – ISU Synchro9 Development, SEA Games Malaysia 2027 & YOWG 2028

Purpose: Agree the ISU support, technical confirmations and development pathway required for Malaysia.

1. SEA Games Synchro9 – ISU Technical Design

- ISU guidance to design the SEA Games event to ISU standards and as preparation for YOWG 2028.
- Confirm format, competition days, official practice, ice requirements, officials structure, scoring/results and Technical Handbook requirements.

2. Nottingham27 Shadowing / Volunteer Attachment

- Request approval/support for 2 ISAM representatives to shadow a 2026/27 Synchro9 competition, preferably Nottingham27.
- Focus: scheduling, accreditation, athlete flow, field-of-play, officials coordination, results, volunteers and event operations.

3. Full-Time Synchro9 Coach / Expert in Malaysia

- Following ISU advice, explore engaging an experienced coach/technical expert on a full-time or extended-term basis.
- Request ISU recommendations on suitable candidates, profile, duration, objectives and possible Development Programme support.
- Priority: athlete development + mentoring Malaysian coaches for long-term knowledge transfer.

4. Skater, Coach & Officials Development

- Structured pathway to SEA Games 2027 and YOWG 2028: camps, mentoring, video review, international exposure and competition preparation.
- Dedicated Synchro9 Coaches & Judges Seminar in Malaysia, potentially with regional participation.

5. Judges / Officials – Cost-Effective Deployment

- Seek ISU advice on appropriately qualified officials who can cover more than one relevant discipline where rules permit.
- Confirm which roles may be shared and which must remain discipline-specific.

6. Post-SEA Games International Synchro9 Competition

- Discuss an International Synchro9 Open immediately after SEA Games while venue, systems and officials are already in place.
- Confirm ISU support in principle, sanctioning route, event designation, calendar requirements, eligibility, format and officials.

7. Regional Development

- Explore ISU support to encourage Southeast Asian Member Federations to develop teams, coaches and officials.
- Use SEA Games 2027 as a regional development platform toward YOWG 2028 and future Olympic pathways.

8. Agreed Next Steps / Decisions

- Nominate ISU technical contact / working mechanism for SEA Games planning.
- Agree Nottingham27 attachment process.
- Agree next steps for full-time coach identification.
- Confirm route for seminar, officials planning and post-Games International Open.

Desired Meeting Outcome

Build the Team → Build Local Coaches & Officials → Learn from an ISU Event → Deliver SEA Games 2027 to ISU Standards → Host an International Synchro9 Event → Prepare for YOWG 2028

Ice Skating Association of Malaysia (ISAM)
